Pharmacies may have been added or removed from the list after this directory was printed. To get current information about KelseyCare Advantage network pharmacies in your area, please visit our Web site at www.kelseycareadvantage.com or call our Member Services Department at 713-442-CARE (713-442-2273) or toll free at 1-866-589-5222, 24 hours a day, seven days a week. (TTY/TDD users should call 1-888-206-8041.)

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2012.

Introduction

This booklet provides a list of KelseyCare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and KelseyCare Advantage's formulary. If you have additional questions, please call our Member Services Department at 713-442-CARE (713-442-2273) or toll free at 1-866-589-5222, 24 hours a day, seven days a week. TTY/TDD users should call 1-888-206-8041. Or, visit www.kelseycareadvantage.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by KelseyCare Advantage. In most cases, your prescriptions are covered under KelseyCare Advantage only if they are filled at a network pharmacy. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.

How to Use This Directory

To help you choose a pharmacy that will meet your needs, the directory first lists Retail pharmacies that are in the Preferred Pharmacy network. Retail Non-Preferred Pharmacies are in a separate section. All other types, such as Home Infusion and Long-Term Care pharmacies can also be located in separate sections. Each section then lists the pharmacies in alphabetical order, by county, city and name. A star (*) next to the pharmacy name indicates which pharmacy will provide you with a 90-day supply.
