SOBRE LOS MEDICAMENTOS QUE CUBRIMOS EN ESTE PLAN**

Este formulario se actualizó el 9/01/2023. Para obtener información actualizada o por consultas, comuníquese con el Servicio para Miembros de KelseyCare Advantage llamando al 1-888-970-0914 (los usuarios de TTY deben llamar al 711), las 24 horas del día, los 7 días de la semana, o visite [www.kelseycareadvantage.com/coh](http://www.kelseycareadvantage.com/coh).

**Nota para los miembros actuales:** Este formulario es diferente al del año pasado. Revise este documento para asegurarse de que aún están los medicamentos que toma.

Cuando en esta lista de medicamentos (formulario) se utilicen las palabras “nosotros”, “nos” o “nuestro”, se hace referencia a KelseyCare Advantage. Cuando se menciona “plan” o “nuestro plan”, significa KelseyCare Advantage Preferred.

Este documento incluye una lista de los medicamentos (formulario) de nuestro plan que está actualizada a la fecha de revisión del formulario. Para obtener un formulario actualizado, comuníquese con nosotros. Encontrará nuestra información de contacto junto con la fecha en que actualizamos el formulario por última vez en la portada y la contraportada.

Por lo general, debe acudir a farmacias de la red para aprovechar el beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias o los copagos o coseguros pueden cambiar el 1 de enero de 2024 y ocasionalmente a lo largo del año.

#### **¿Qué es el formulario de KelseyCare Advantage?**

El formulario es una lista de medicamentos cubiertos seleccionados por KelseyCare Advantage en colaboración con un equipo de proveedores de atención médica que comprende las terapias recetadas que se consideran una parte necesaria de un programa de tratamiento de calidad. En general, KelseyCare Advantage cubrirá los medicamentos incluidos en nuestro formulario siempre que estos sean médicalemente necesarios, la receta se surta en una farmacia de la red KelseyCare Advantage y se cumplan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, revise su Evidencia de Cobertura.

## **¿Puede cambiar el formulario (lista de medicamentos)?**

La mayoría de los cambios en la cobertura de medicamentos se realizan el 1 de enero, pero podemos agregar medicamentos a la lista de medicamentos o eliminarlos durante el año, cambiarlos de nivel de costo compartido o agregar nuevas restricciones. Debemos seguir las reglas de Medicare al realizar estos cambios.

**Cambios que pueden afectarle este año:** Se verá afectado por cambios de cobertura durante el año en los siguientes casos:

- **Nuevos medicamentos genéricos.** Podemos eliminar inmediatamente un medicamento de marca de nuestra Lista de medicamentos si lo sustituimos por un medicamento genérico nuevo que estará en el mismo nivel de costo compartido o en uno menor y con igual o menos restricciones. Además, al agregar el nuevo medicamento genérico, podemos decidir mantener el medicamento de marca en nuestra Lista de medicamentos, pero cambiarlo inmediatamente a un nivel diferente de costo compartido o agregar nuevas restricciones. Si actualmente está tomando ese medicamento de marca, es posible que no le informemos con anticipación antes de que realicemos ese cambio, pero le proporcionaremos información sobre los cambios específicos que hemos realizado más adelante.
  - Si realizamos dicho cambio, usted o su profesional que receta pueden solicitar que hagamos una excepción y que sigamos cubriendole el medicamento de marca. El aviso proporcionado también incluirá información sobre cómo solicitar una excepción. Puede encontrar información al respecto en la siguiente sección titulada “¿Cómo solicito una excepción al formulario de KelseyCare Advantage?”.
- **Medicamentos retirados del mercado.** Si la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) considera que un medicamento de nuestro formulario no es seguro o el fabricante retira el medicamento del mercado, lo eliminaremos inmediatamente de nuestro formulario y notificaremos a los miembros lo tomen.
- **Otros cambios.** Podemos realizar otros cambios que afecten a los miembros que actualmente toman el medicamento. Por ejemplo, podemos agregar un medicamento genérico que no sea nuevo en el mercado para reemplazar un medicamento de marca que esté en el formulario, agregar nuevas restricciones al medicamento de marca o moverlo a un nivel de costo compartido diferente. También podemos realizar cambios en función de nuevas directrices clínicas. Si eliminamos medicamentos de nuestro formulario o agregamos el requisito de autorización previa, límites de cantidad o restricciones de terapia escalonada o movemos un medicamento a un nivel de costo compartido más alto, debemos informar sobre el cambio a los miembros afectados al menos 30 días antes de que el cambio entre en vigencia o, en su defecto, cuando el miembro solicite nuevamente el medicamento, momento en el que recibirá un suministro del medicamento para 30 días.
  - Si realizamos estos otros cambios, usted o su profesional que receta pueden solicitar que hagamos una excepción y que sigamos cubriendole el medicamento de marca. El aviso proporcionado también incluirá información sobre cómo solicitar una excepción. También puede encontrar información en la sección a continuación titulada “¿Cómo solicito una excepción en el formulario de KelseyCare Advantage?”.

**Cambios que no le afectarán si actualmente está tomando el medicamento.** Por lo general, si está tomando un medicamento de nuestro formulario 2024 que estaba cubierto a comienzo del año, no interrumpiremos ni reduciremos su cobertura durante el año de cobertura 2024, excepto en las situaciones descriptas anteriormente. Esto significa que estos medicamentos seguirán estando disponibles con el mismo costo compartido y sin nuevas restricciones para aquellos miembros que los tomen durante el resto del año de cobertura. Este año no recibirá un aviso directo sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, dichos cambios le podrían afectar, por lo que es importante que revise la Lista de medicamentos correspondiente al nuevo año de beneficios para saber si se han producido cambios en los medicamentos.

El formulario adjunto está actualizado al 9/01/2023 . Comuníquese con nosotros para obtener información actualizada sobre los medicamentos que cubre KelseyCare Advantage. Nuestra información de contacto aparece en la portada y la contraportada. Los cambios en el formulario se actualizan mensualmente en el Anexo del formulario. También puede ponerse en contacto con nosotros para recibir una copia del Anexo del formulario.

## **¿Cómo utilizo el formulario?**

Hay dos formas de encontrar su medicamento en el formulario:

### **Por afección médica**

El formulario comienza en la página 9. Los medicamentos de este formulario se agrupan en categorías según el tipo de afecciones médicas que tratan. Por ejemplo, los medicamentos que se utilizan para tratar una afección cardíaca se agrupan en la categoría CARDIOVASCULAR. Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que comienza en la página 9. Luego, busque su medicamento en la categoría.

### **Por orden alfabético**

Si no está seguro de en qué categoría buscar, debe buscar su medicamento en el Índice que comienza en la página 88. En el Índice se proporciona una lista ordenada alfabéticamente de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los genéricos están en el Índice. Consulte el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde está la información sobre la cobertura. Vaya a la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

## **¿Qué son los medicamentos genéricos?**

KelseyCare Advantage cubre tanto medicamentos de marca como genéricos. La FDA aprueba un medicamento genérico cuando tiene el mismo principio activo que el medicamento de marca. Por lo general, los medicamentos genéricos son menos costosos que los medicamentos de marca.

## **¿Hay alguna restricción en mi cobertura?**

Algunos medicamentos cubiertos pueden tener requisitos adicionales o límites de cobertura. Estos requisitos y límites pueden incluir los siguientes:

- **Autorización previa:** KelseyCare Advantage les solicita a usted o a su médico que obtengan una autorización previa para ciertos medicamentos. Esto significa que deberá obtener la aprobación de KelseyCare Advantage antes de surtir sus recetas. Si no obtiene la aprobación, es posible que KelseyCare Advantage no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, KelseyCare Advantage limita la cantidad cubierta. Por ejemplo, KelseyCare Advantage proporciona 30 comprimidos de rosuvastatina por receta. Esto puede ser adicional a un suministro estándar para uno o tres meses.
- **Terapia escalonada:** En algunos casos, KelseyCare Advantage requiere que primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B se utilizan para tratar su afección médica, KelseyCare Advantage puede no cubrir el medicamento B a menos que pruebe primero el medicamento A. Si el medicamento A no le funciona, KelseyCare Advantage cubrirá el medicamento B.

Para averiguar si su medicamento tiene requisitos adicionales o límites, revise el formulario que comienza en la página 9. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos que le envíemos una copia. Encontrará nuestra información de contacto junto con la fecha en que actualizamos el formulario por última vez en la portada y la contraportada.

Puede solicitar a KelseyCare Advantage una excepción a estas restricciones o límites o pedir que se le envíe una lista de otros medicamentos similares que puedan tratar su afección médica. Consulte la sección “¿Cómo solicito una excepción al formulario de KelseyCare Advantage?”. en la página 4 para obtener información al respecto.

## **¿Qué sucede si mi medicamento no está en el formulario?**

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Servicio para Miembros y preguntar si su medicamento está cubierto.

Si confirma que KelseyCare Advantage no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios para Miembros una lista de medicamentos similares cubiertos por KelseyCare Advantage. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por KelseyCare Advantage.

- Puede pedir a KelseyCare Advantage que haga una excepción y cubra su medicamento. Consulte a continuación cómo solicitar una excepción.

## **¿Cómo solicito una excepción al formulario de KelseyCare Advantage?**

Puede pedir a KelseyCare Advantage que haga una excepción a las reglas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede solicitarnos que cubramos un medicamento aunque no esté en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado y no podrá solicitarnos que le proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede solicitarnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo, a menos que el medicamento esté en el nivel de especialidad. Si se aprueba, esto reduciría el monto que debe pagar por su medicamento.
- Puede solicitarnos que no apliquemos las restricciones de cobertura o los límites en su medicamento. Por ejemplo, para ciertos medicamentos, KelseyCare Advantage limita la cantidad cubierta. Si su medicamento tiene un límite de cantidad, puede solicitarnos que eliminemos el límite y que cubramos una cantidad mayor.

Por lo general, KelseyCare Advantage solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento de menor costo compartido o las restricciones de uso adicionales no fueran tan eficaces para tratar su afección o le causaran efectos médicos adversos.

Debe comunicarse con nosotros para solicitar una decisión de cobertura inicial para una excepción al formulario, al nivel o a la restricción de uso. **Para solicitar una excepción al formulario, al nivel o a la restricción de uso, debe enviar una declaración de su profesional que receta o médico que justifique su solicitud.** Por regla general, debemos tomar una decisión en un plazo de 72 horas a partir de la recepción de la declaración justificativa de su profesional que receta. Si usted o su médico consideran que esperar 72 horas para obtener una respuesta podría causarle graves problemas de salud, tiene la opción de solicitar una excepción expeditiva (rápida). Si se aprueba su solicitud para agilizar el proceso, debemos darle una respuesta en un plazo máximo de 24 horas después de que recibimos una declaración justificativa de su médico u otro profesional que receta.

## **¿Qué hago antes de poder hablar con mi médico sobre cambiar mis medicamentos o solicitar una excepción?**

Como miembro nuevo o continuo de nuestro plan, es posible que esté tomando medicamentos que no estén en nuestro formulario. O bien, puede que esté tomando un medicamento que está en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, es posible que necesite una autorización previa para poder surtir su receta. Debe hablar con su médico para decidir si debe cambiar a un medicamento adecuado que esté cubierto o solicitar una excepción en el formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar el curso de acción adecuado para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días como miembro de nuestro plan.

Para cada uno de sus medicamentos que no esté en nuestro formulario o si su capacidad para obtenerlos es limitada, cubriremos un suministro temporal de 30 días. Si su receta es para menos días, permitiremos resurtidos hasta un suministro máximo de 30 días de medicamentos. Después de su primer suministro de 30 días, no pagaremos estos medicamentos, aunque haya sido miembro del plan menos de 90 días.

Si es residente de un centro de atención a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad para recibir sus medicamentos es limitada, pero ha pasado los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de 31 días de ese medicamento mientras solicita una excepción al formulario.

## **Cambios inesperados en los medicamentos debido a cambios en el nivel de atención**

El traslado de un entorno de tratamiento a otro, por ejemplo de un entorno hospitalario a casa, se denomina cambio en el nivel de atención. Estos tipos de cambios no suelen dejarle tiempo suficiente para verificar si una nueva receta contiene un medicamento que está en el formulario del plan. En estas situaciones inesperadas, KelseyCare Advantage cubrirá un suministro provisorio de transición de 30 días (a menos que tenga una receta para menos días). Si su cambio en el nivel de atención implica trasladarse a un entorno de atención a largo plazo y le recetan un nuevo medicamento, el plan cubre un suministro provisorio de transición de 31 días (a menos que tenga una receta para menos días).

## **Formulario de KelseyCare Advantage**

El formulario que comienza en la página 9 brinda información de cobertura sobre los medicamentos que cubre KelseyCare Advantage. Si tiene problemas para encontrar su medicamento en la lista, vaya al Índice que comienza en la página 88.

En la primera columna del cuadro se muestra el nombre del medicamento. Los medicamentos de marca aparecen en mayúsculas (p. ej., SYNTHROID) y los medicamentos genéricos aparecen en cursiva minúscula (p. ej., *levotiroxina*).

La información de la columna Requisitos/Límites le indica si KelseyCare Advantage tiene algún requisito especial para la cobertura de su medicamento.

**PA (Prior Authorization): autorización previa.** Este medicamento recetado requiere una autorización antes de surtir su receta. Si no obtiene la autorización, es posible que no cubramos el medicamento.

**B/D: cubierto por la parte B o D de Medicare.** Este medicamento recetado puede estar cubierto por la parte B o D de Medicare, según las circunstancias. Es posible que sea necesario presentar información que describa el uso y el entorno del medicamento para tomar una determinación.

**ED (Excluded Drug): medicamentos excluidos.** El Plan de Medicamentos Recetados de Medicare no suele cubrir estos medicamentos recetados. El monto que paga cuando surte una receta para este medicamento no cuenta para los costos totales de sus medicamentos (es decir, el monto que paga no suma para que califique para la cobertura en situaciones catastrófica). Además, si recibe ayuda adicional para el pago de sus medicamentos con receta, no recibirá ninguna ayuda adicional para pagar este medicamento.

**GC (GAP Coverage): interrupción en la cobertura.** Proporcionamos cobertura adicional de este medicamento recetado en el período de interrupción en la cobertura. Consulte nuestra Evidencia de cobertura para obtener más información sobre esta cobertura.

**ST (Step Therapy): terapia escalonada.** El plan le solicita que primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos este medicamento recetado para esa afección.

**QL (Quantity Limit): límite de cantidad.** Existe un límite en la cantidad de medicamento recetado que cubriremos un cierto período de tiempo.

**LA (Limited Access): acceso limitado.** Este medicamento puede estar disponible solo en ciertas farmacias. Para más información consulte su Directorio de farmacias o llame a Servicio para Miembros al 1-888-970-0914, las 24 horas del día, los 7 días de la semana.  
Los usuarios de TTY deben llamar al 711.

**NM (Not Available at Mail-Order): no disponible para pedido por correo.** Este medicamento no puede solicitarse a través de la farmacia de pedido por correo. Para obtener más información, consulte su Directorio de farmacias o llame a Servicio para Miembros al 1-888-970-0914, las 24 horas del día, los 7 días de la semana. Los usuarios de TTY deben llamar al 711.

Al lado de la columna “Nombre del medicamento” verá la columna “**Nivel**”. Esto identifica el nivel que tiene asignado el medicamento y determinará el monto que pagará por su medicamento recetado. El monto que usted paga por sus medicamentos recetados depende del nivel del medicamento. Cada medicamento de la Lista de medicamentos del plan se encuentra en uno de cinco niveles de costo compartido. En general, cuanto mayor sea el nivel de costo compartido, mayor será el costo del medicamento.

| Nivel de costo compartido | Medicamentos incluidos en el nivel    |
|---------------------------|---------------------------------------|
| Nivel 1                   | Genérico preferido                    |
| Nivel 2                   | Genérico                              |
| Nivel 3                   | Marca preferida                       |
| Nivel 4                   | Medicamento no preferido              |
| Nivel 5                   | Nivel de especialidad                 |
| Nivel 6                   | Medicamentos de atención seleccionada |

### **Nivel 1: genérico preferido**

Incluye medicamentos genéricos preferidos y puede incluir algunos medicamentos de marca. Los medicamentos genéricos tienen la misma fórmula de principio activo que un medicamento de marca. Los medicamentos genéricos suelen tener un costo menor que los medicamentos de marca y la Administración de Alimentos y Medicamentos (FDA) los considera tan seguros y eficaces como los medicamentos de marca. No todos los medicamentos genéricos de la lista de medicamentos (formulario) están incluidos en este nivel.

### **Nivel 2: genérico**

Incluye medicamentos genéricos de costo alto o que solo están disponibles a través de un fabricante, además de algunos medicamentos de marca.

### **Nivel 3: marca preferida**

Incluye medicamentos de marca preferida y medicamentos genéricos no preferidos.

### **Nivel 4: medicamento no preferido**

Incluye medicamentos no preferidos y medicamentos genéricos.

### **Nivel 5: nivel de especialidad**

Nivel con el costo más alto: contiene medicamentos genéricos y de marca de costo muy alto que pueden necesitar una manipulación especial o una supervisión detallada. Los medicamentos de especialidad pueden ser de marca o genéricos.

### **Nivel 6: medicamentos de atención seleccionada**

Nivel con el costo más bajo: contiene vacunas preventivas y medicamentos genéricos de atención seleccionada para tratar afecciones como diabetes, presión arterial alta y colesterol alto.

La red de farmacias de KelseyCare Advantage incluye farmacias que ofrecen costo compartido estándar y otras que ofrecen costo compartido preferido. Puede acudir a cualquier farmacia de la red para obtener sus medicamentos recetados cubiertos. Su costo compartido puede ser menor en farmacias con costo compartido preferido.
