

Diabetic Testing Supplies and Continuous Glucose Monitors

Blood glucose self-testing equipment and supplies are covered for all KelseyCare Advantage members with diabetes, whether you use insulin or not.

For all people who have diabetes, covered supplies include:

- Supplies to monitor blood glucose: Blood glucose monitor, blood glucose test strips, lancet devices and lancets, and glucose-control solutions for checking the accuracy of test strips and monitors
- Member benefits include coverage of preferred brands LifeScan and Roche. Refer to the table, *Preferred Products for Diabetic Testing Supplies* for more information.
- Non-preferred brands of diabetic supplies (includes meters and test strips) are not covered unless determined medically necessary by a physician
- Some services such as Continuous Glucose Monitors (CGM) require prior authorization
