## SMART-Fill

Kelsey Pharmacy makes refilling prescriptions a snap. Our SMART-Fill program works with the KelseyPharmacy mobile app and text messaging to automatically refill your prescriptions. Along with free delivery, SMART-Fill saves you time and worry by helping ensure you never run out of the medications you need.

For more information, talk to your Kelsey-Seybold pharmacist.

You'll find friendly, knowledgeable pharmacists at every Kelsey Pharmacy who are ready to answer your questions. For your nonprescription needs, our pharmacies stock competitively priced over-the-counter medications and products. Ask your Kelsey Pharmacy staff if over-the-counter medications are part of your Medicare plan benefit.

We also offer Medicare Part D immunization services at all our pharmacies. Your Kelsey pharmacist will work with you to determine which immunizations you need.
