## Section 1 – Introduction

This directory provides a list of KelseyCare Advantage’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

When you join KelseyCare Advantage, you can choose a Kelsey-Seybold Clinic Primary Care Physician (PCP). A PCP at Kelsey-Seybold is a doctor of Family Medicine or Internal Medicine. **In this directory, PCPs are listed under each Kelsey-Seybold Clinic as either Family Medicine or Internal Medicine.**

Your PCP can help direct your health care needs. Your PCP can also coordinate other covered services you might need such as:

- X-rays
- Laboratory tests
- Outpatient physical therapy
- Referrals to non-Kelsey-Seybold Clinic specialists
- Hospital admissions

Coordinating your care includes consulting with our network providers about your care. In some cases, you might need certain types of covered services or supplies that require approval before the services are received. Your PCP or Kelsey-Seybold Clinic specialist will obtain that approval for you.

You may decide to see another Kelsey-Seybold Clinic PCP or Kelsey-Seybold Clinic specialist within the Clinic at any time without a referral. It is not necessary to notify Member Services if you decide to change PCPs. Simply schedule an appointment with the Kelsey-Seybold Clinic physician of your choice. However, you can contact Member Services if you need assistance.

The “network providers” listed in this directory have agreed to provide you with your health coverage. You may go to any of our network providers listed in this directory. However, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers.

Here are some important points to remember about KelseyCare Advantage’s provider network:

- You can see any provider within Kelsey-Seybold Clinic without a referral or prior authorization. If you have been going to one Kelsey-Seybold Clinic physician, you are not required to continue going to that physician, even if that physician is your Primary Care Physician. You may simply schedule an appointment with the new Kelsey-Seybold Clinic physician of your choice.
- In some cases, you may get covered services from non-plan providers if the needed health services cannot be provided by a plan provider. **However, these services may require a referral or prior authorization from KelseyCare Advantage.** Emergency services do not require prior authorization.

- When you need care outside the service area, your health care coverage is limited. The only services we cover under these plans when you are outside our service area are: out-of-area dialysis, medical emergencies or urgently needed care, including post-stabilization care and care that KelseyCare Advantage has approved in advance. **If you question whether a service is covered when you travel, please call Member Services at 713-442-2ERS (713-442-2377) or toll-free at 1-877-853-9075.** TTY/TDD users should call 1-866-302-9336. Hours are 8:00 a.m. to 5:00 p.m., Monday through Friday. During this time period on Thanksgiving Day and Christmas Day, calls are handled by our voicemail system. Extended hours may be available during specific enrollment periods.
- KelseyCare Advantage covers certain health care services from non-Kelsey-Seybold Clinic providers. With the exception of care for a medical emergency or urgently needed care, these services must be approved in advance. If a non-Kelsey-Seybold Clinic provider asks you to pay for covered services in these situations, please call Member Services at **713-442-2ERS (713-442-2377) or toll-free at 1-877-853-9075.** TTY/TDD users should call 1-866-302-9336. Hours are 8:00 a.m. to 5:00 p.m., Monday through Friday. During this time period on Thanksgiving Day and Christmas Day, calls are handled by our voicemail system. You should never pay any non-Kelsey-Seybold Clinic provider more than what the plan is allowed by Medicare. The provider has a right to get his/her fees, but does not have the right to get them from you. Ask the non-Kelsey-Seybold Clinic provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for these services, you can send the bill to us for payment. We will pay your non-Kelsey-Seybold Clinic provider for our share of the bill and let you know what, if anything, you must pay.
- Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area you can obtain dialysis treatment from any qualified dialysis provider. **You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor KelseyCare Advantage will be responsible for the costs.**

**Important Note about Affiliate Contract Providers:** When Kelsey-Seybold Clinic does not have the staff specialist you need at any of their locations, you can be referred to an affiliate contract provider who has been selected by Kelsey-Seybold physicians. Your Kelsey-Seybold Clinic physician will submit a request to KelseyCare Advantage for you to see an affiliate contract provider. Both you and the specialist to whom you are referred will receive written confirmation if the service is approved.

**Important Note about Outpatient Mental Health Providers:** Confidential mental health/ substance abuse treatment is provided through United Behavioral Health. All mental health or chemical dependency treatment must be authorized by United Behavioral Health prior to services being rendered. You may call United Behavioral Health at 1-800-817-4808.

**Important Note about Vision Service Providers (VSP):** Routine vision and post-cataract care are provided by VSP. The VSP doctors contained in this provider directory were active at the time the directory was created. Please check with the VSP doctor of your choice when making your appointment to ensure that he or she is currently participating with VSP and provides the services you require. You may contact VSP at 1-800-877-7195 or go online to [www.vsp.com](http://www.vsp.com).
